Opening Reflection & Discussion

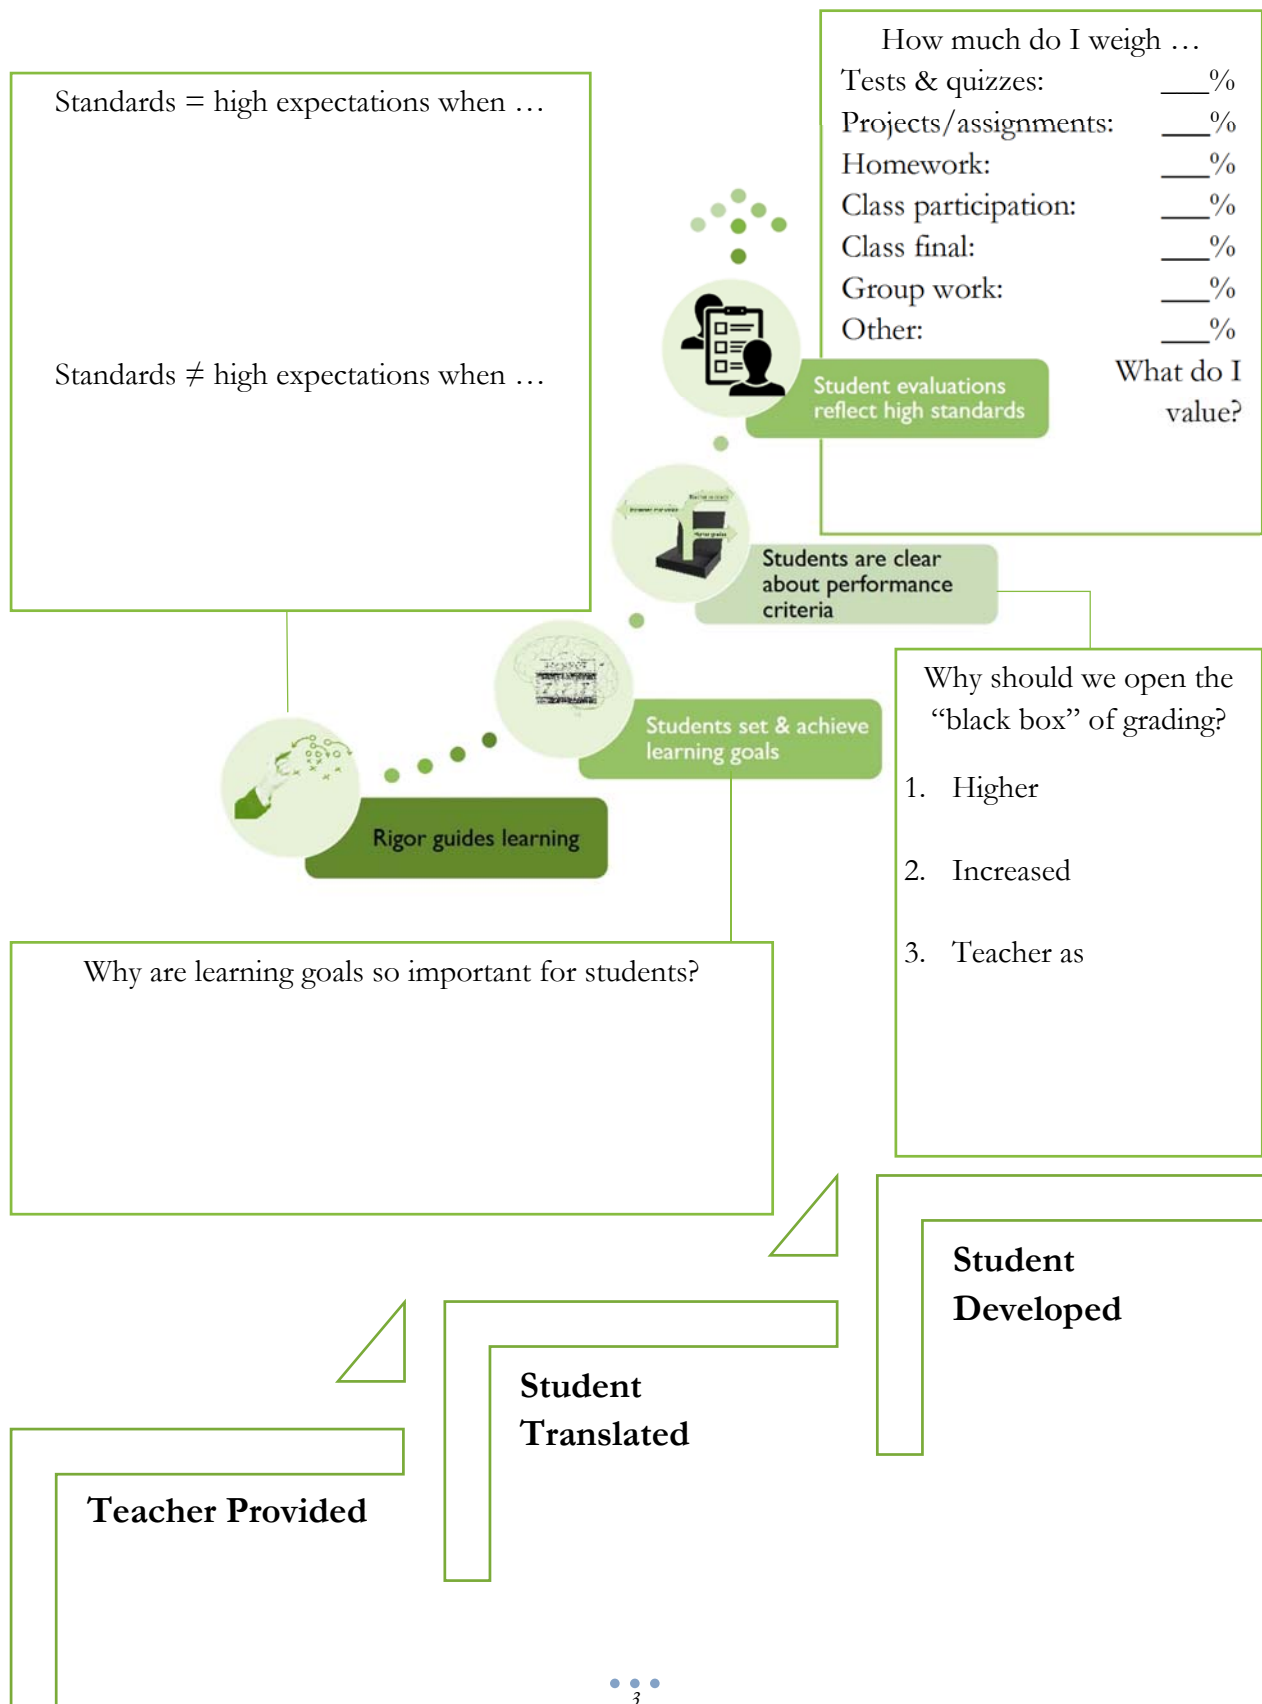

What teacher had the most impact on your life?

In the space below, write some words you would use to describe them & what made them special.

Three Imperatives of Great Teaching:

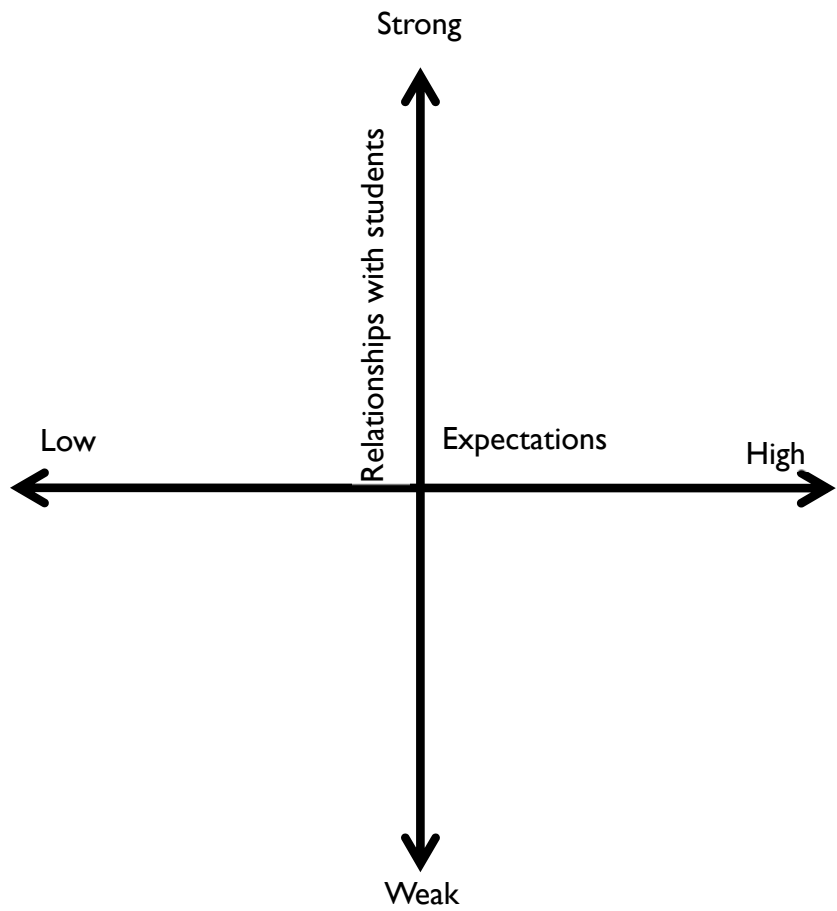

Being Demanding

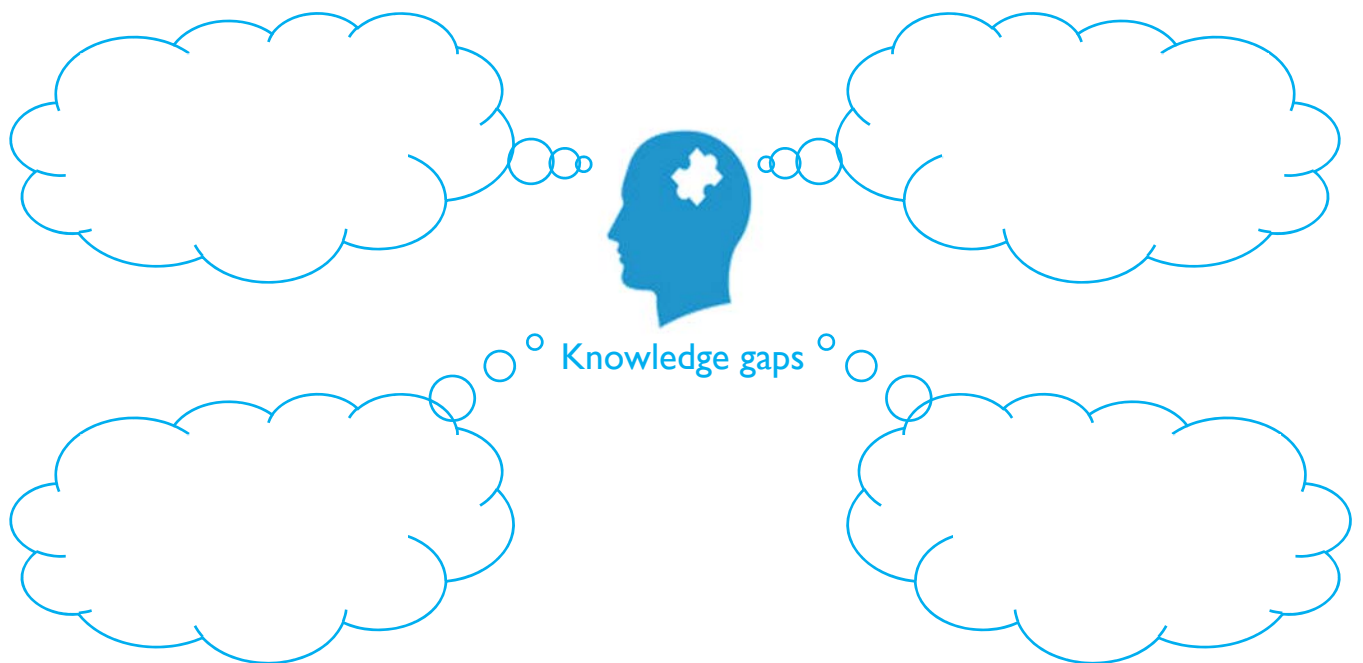

Being Supportive

Warm demanders

What's a warm demander

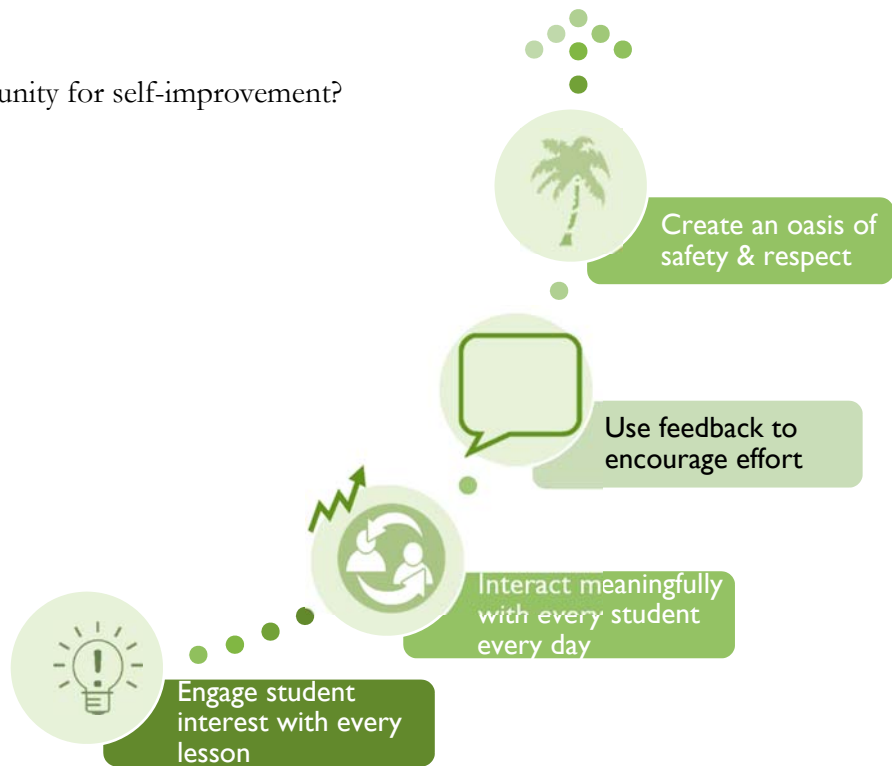

What sparks curiosity?

Reflection & Discussion

Which of these is an opportunity for self-improvement?

Being Intentional

Cs of Deep Knowledge: What strategies can we use for each C?

	Curiosity <i>Motivation</i>	
	Connection <i>Link to prior knowledge</i>	
	Coherence <i>Meaningful patterns</i>	
	Concentration <i>Thinking about learning</i>	
	Coaching <i>Guided practice</i>	
	Context <i>Real-life application</i>	

Reflection & Discussion

2 min

Which of these is an opportunity for self-improvement?

Deep learning requires *thinking about learning* ...

Deliberate practice supports deep learning ...

Why am I asking students to show learning *this way*?

Deep learning is key...

Why am I assigning this homework?

Time is of the essence ...

Why am I using *these* teaching & learning strategies?

Why am I engaging in *these* activities?
